

Are Angola's lithium resources in the limelight?

The mineral is essential for the manufacture of batteries, a key element in the energy transition, and has become highly sought after. However, Australian Securities Exchange (ASX)-listed junior Tyranna Resources may put Angola's lithium resources in the limelight.

How many non-listed companies are launching lithium projects in Angola?

Up to now, only a few non-listed companies have launched lithium projects in the country. Tyranna has confirmed that initial data from Angolan Minerals, from field campaigns in 2019 and 2021, has been encouraging. Further studies may begin soon.

Which energy transition metals should Angola invest in?

In recent years, the main energy transition metals that have been of interest to Angola's investors have been cobalt, nickel and copper. However, a listed junior is now targetting lithium, an essential metal for battery manufacturing, which is highly sought after on the African continent.

Could Tyranna Resources put Angola's lithium resources in the limelight?

However, Australian Securities Exchange (ASX)-listed junior Tyranna Resources may put Angola's lithium resources in the limelight. In mid-May the company struck a deal to buy 80% of Australian company Angolan Minerals, which has been quietly exploring the Namibe lithium project in the southwest of the country.

Is Angola a good place to invest in lithium?

Despite boasting extensive and diverse mineral resources, up to now there has been limited international investment in Angola's lithium in comparison to its neighbours, such as the DR Congo, Namibia, Zimbabwe and Botswana.

Who owns the Namibe Lithium Project?

Tyranna Resources, an Australian-based mineral exploration company, will acquire an 80% interest in the Namibe Lithium Project. The Acquisition is expected to be finalized by July 2022, positioning the company as the majority owner of the project.

Brand New Genuine ULTRA MAX 48v 12Ah Rechargeable LITHIUM ION BATTERY for ELECTRIC BIKES. THIS LISTING IS FOR: 48V 12AH LITHIUM ION BATTERY PACK. 48volt ...

At SGS, we offer a range of solutions to help you ensure traded lithium and cobalt products conform to your commercial specifications. Our experts provide comprehensive sampling and ...

Upgrade your ride with the Polly DP-5C Battery Pack. Superior power voltages 24V 36V 48V 52V 60V Samsung, LG, Panasonic, Molicell cells, 100% USA-made high quality & performance. ...
