

Do new energy batteries have commercial warranty

Are GivEnergy batteries backed by a warranty?

All GivEnergy batteries and inverters installed and fully commissioned by UK Green Energy Installations will be backed by the 12 year warranty. All systems must be: Fully commissioned and installed by UK Green Energy Installations (a certified GivEnergy Installer). Receive a health check every 5, 8 and 10 year period.

Should you buy a warranty on a car battery?

For energy storage batteries, purchasing a warranty beyond 10 years does not make much sense, as a significant portion of the battery would likely need to be replaced after that period. Insurance can also be obtained. Operating and maintaining batteries is complex due to the reliance on software to optimize performance. The rates of deterioration of the battery depend on how the battery is used.

What is a battery pack warranty?

In the event energy throughput into (or from) the Battery Pack flows to a 3rd party or whereby such energy is activated or controlled by a 3rd party, the Battery Pack warranty will be limited to 'Fair Usage' levels equal to 10,000 cycles for consumption purposes only at the installed premises.

Does GivEnergy offer a 12 year warranty?

GivEnergy Residential Batteries AND Inverters Now Come with a 12 Year Warranty as Standard! UK Green Energy Installations are delighted to announce that GivEnergy are leading the way by introducing an unprecedented 12 year warranty across their battery AND inverter range from today (11th September 2023).

What does GivEnergy warranty cover?

The new 12 year warranty covers: In a nutshell, the warranty covers any GivEnergy residential battery storage system installed from 11/09/2023 - no matter which specific battery and inverter model are fitted. What products does the warranty not cover? Different warranties apply for:

When does a warranty apply?

Warranties apply once the system has been fully commissioned. (I.e., not purchased, not installed, but commissioned.) So, commissioning photos should be sent through, accounts created, etc. Please note: every system must be commissioned within 30 days of installation.

Lithium Batteries SA - Warranty Policy LBSA Built Units 10 Year or 4500 cycles (9000 Cycles on BMS display) Warranty Applicable for all batteries purchased from 2022/11/21 This warranty is valid only on LBSA Built units where applicable.
