

Energy Storage Product Series Discount Rules

Is the energy bill discount scheme revoked?

This has been revoked by rule 2.1 of the Energy Bill Discount Scheme (Amendment No. 5) Rules 2024. This amends the Energy Bills Discount Scheme Rules 2023 for Great Britain and Northern Ireland.

What's new in the energy bills discount scheme rules 2023?

This amendment notes a change in supplier adjustment windows, moving the already published April 2024 claim date to May 2024. This sets out an amendment to the Energy Bills Discount Scheme Rules 2023 for Great Britain and Northern Ireland.

What is the energy bills discount scheme?

The factsheet sets out the energy bills discount scheme that will run from 1 April 2023 to 31 March 2024 for eligible non-domestic consumers in Great Britain and Northern Ireland. The methodology document sets out how sector eligibility was determined for the higher Energy and Trade Intensive Industry (ETII) support.

What is the new energy discount scheme?

The new scheme will provide £5.5 billion of support. From 1 April 2023 non-domestic customers who have a contract with a licensed energy supplier will benefit from a discount of up to £6.97/MWh on their gas bill and to £19.61/MWh on their electricity bill, both of which will be automatically applied.

When will the government release a response to the energy bill discount scheme?

The government aims to publish a response in spring 2023. The government has announced a new Energy Bills Discount Scheme for UK businesses, charities and the public sector. This scheme will run from April 2023 for 12 months and has been announced ahead of the end of the current scheme in March of this year.

What is long duration electricity storage (LDEs)?

Long Duration Electricity Storage (LDES) technologies contribute to decarbonising and making our energy system more resilient by storing electricity and releasing it when needed. LDES can also help reduce costs for consumers through reducing their bills and by avoiding the need for expensive electricity grid upgrades.
