

# How to clean photovoltaic solar panels video

How to clean solar panels?

Step 2: Choose the best approach: If your solar panels are on the roof, consider using a telescopic window cleaning pole to clean them from the ground instead of using a ladder. Step 3: Mix your cleaning solution: In a bucket of warm water, mix a small amount of mild detergent or use a specialised pre-mixed solution.

Do solar PV panels need to be cleaned?

That said, most solar pv panels in the UK will not need any heavy-duty cleaning because regular rain will wash most dirt and grime off the surface, dispelling one of the myths about solar being its difficulty to clean.

Can you use vinegar to clean solar panels?

Vinegar is a great cleaning agent for solar panels because it contains acetic acid, which is very capable of breaking down tough stains, dirt and grease. It is also readily available and any vinegar will do although the best type to use is white cleaning vinegar.

How to clean a photovoltaic system?

Brushes with soft or hard bristles are available for different surfaces. We recommend soft brushes for cleaning photovoltaic systems. If you are using cleaning agents, they should be suitable for removing stubborn, greasy soiling and mineral residues. If the water film breaks down quickly, streak-free drying without limescale stains is possible.

Should you clean solar panels from the ground?

Safety first: Always prioritise safety when cleaning solar panels, especially if they are on rooftops. Most systems can be cleaned from the ground using a long-handled brush, reducing risk. If you can't reach the panels safely or are unsure about the process, hire a professional, as annual cleaning is typically sufficient.

How much does solar panel cleaning cost?

“Solar panel cleaning costs between £4 - £15 per panel. The total solar panel cleaning costs will be affected by several factors, the biggest of which would be if your solar panels are on the ground floor or on upper floors,” explains Checktrade. “The higher the panels, the more expensive they will be to clean.
