

What is Huijue group's new generation of smart energy solutions?

Huijue Group's new generation of smart energy solutions integrate green energy systems, advanced intelligent control systems and services to achieve energy saving at the sites, reduce energy consumption, and reduce carbon emissions.

Who is Huijue group?

We are a professional Manufacturer in China, and we are constantly innovating so that our customers can have better products and services. Founded in 2002, Huijue Group is a high-tech service provider integrating the integration and application of intelligent network equipment and intelligent energy storage equipment.

Who is Huijue network communication equipment?

Shanghai Huijue Network Communication Equipment Co., Ltd. (Huijue Group) specializes in energy storage solutions, offering integrated optical storage, charging microgrids, scheduling monitoring, and scalable cabinet storage. For industrial and commercial applications, their solutions optimize power usage and reduce costs.

Where are Huijue network products exported?

Huijue Network's products are exported to Europe, North America, Southeast Asia and other countries and regions. Since our founding in 2002, we've been committed to becoming a leader in the network link industry.

What makes Huijue unique?

With nearly 22 years of development and innovation, Huijue has continually improved its competitiveness and market position, forming a skilled R&D and management team that drives its expansion across ICT infrastructure, data centers, smart new energy, smart cities, IoT, smart buildings, and new energy batteries.
