Outdoor solar power supply prices in Melbourne

How much does solar cost in Melbourne?

The below tables show that the cost of solar in Melbourne is very close to the national average. Based on our data from July 2023, the average cost of a common 6.6kW solar panel system in Melbourne is \$6,030 including the STC rebate and GST but excluding the state rebate.

How much does a 6.6kw solar panel cost in Melbourne?

Based on our data from July 2023, the average cost of a common 6.6kW solar panel system in Melbourne is \$6,030 including the STC rebate and GST but excluding the state rebate. So if you are eligible for the Solar Victoria rebate of \$1,400 your costs could be even lower!

How much does a solar system cost in Victoria?

A small system (3kW and under) should usually cost no more than \$4,000,while systems that are 10kW or larger can cost in excess of \$9,000. The following table shows typical solar installation costs in Victoria compared to the national average. Keep in mind that these prices do not account for certain state solar rebates (discussed below).

Is Melbourne a good place to install solar?

Thanks in great part to the STC rebate and the Victorian State scheme, Melbourne is home to some of the lowest PV system installation prices in the world- one of the reasons that there is such a large amount of rooftop solar installed across the state.

How much does a solar inverter cost in Australia?

With most of the better inverter manufacturers such as SMA,the smallest inverter they currently supply in Australia is a 3kW inverter. A 3kW or 5kW inverter are relatively similar in price,so we normally say budget around \$3000for a replacement inverter including installation. Is Solar Power Worth It To Help You Save Money In 2024?

How many solar panels do you need in Melbourne?

For an average home in Melbourne, a 5kW to 6.6kW system is typically sufficient, requiring around 16-20 panels. Larger homes or higher energy users might benefit from a 10kW system. What rebates are available for solar panels in Melbourne?
