

San Jose capacitor series manufacturer phone number

Specialties: Electrical (Design/Build), Low Voltage, Facility Services & Solar. Established in 1970. The early years of Sprig Electric established a tempo of continued growth and expanding capabilities. Today, ...

NXP Semiconductors is located at 411 E Plumeria Dr in San Jose, California 95134. NXP Semiconductors can be contacted via phone at 408-518-5500 for pricing, hours and directions. [Contact Info](#)

Microchip is located at 3850 N First St in San Jose, California 95134. Microchip can be contacted via phone at 408-643-6000 for pricing, hours and directions. [Contact Info](#)

There are 34 cities in California with businesses in the Electronic Capacitors category. We've listed the top ten (based on number of businesses) above. [See all cities for Electronic ...](#)

Called a few HVAC places and none of them had the capacitor I was looking for. But one of them recommended i check with Grainger. A few minutes later, I had a very friendly rep work ...

The product description is CAP CER 0.1UF 10V X5R 0402 and it falls under the category of Ceramic Capacitors, with Manufacturer of Samsung Electro-Mechanics and Voltage - Rated of 10V and Tolerance of ±20%. ... [datasheets](#), and more details for CL05A104MP5NNC or order. We are always pleased to hear from you, so feel free to contact us at any ...

V-Series single layer capacitors, including the new 100nF, are designed to offer higher capacitance in a smaller footprint. ... Part Number: D10NR0R5J5PA; Manufacturer: DLI - Dielectric ...

The JR-series of ceramic chip trimmer capacitors provide a straight-forward technique for fine tuning RF and microwave circuits by eliminating time consuming methods of abrasive trimming, cut and try adjustment techniques, and interchange of fixed capacitors. ... Part Number: JR200; Manufacturer: Voltronics Corporation (Knowles) [Status ...](#)

ISO 9001:2015 and ISO/IEC 17025:2017 certified. Manufacturer of high voltage coupling capacitors for partial discharge indication and AC voltage measurement. Available in up to 700 ...

Mark Schiltz, based in San Jose, CA, US, is currently a Production Manager at Pacific Capacitor Co.. Mark Schiltz brings experience from previous roles at Forma Gym, Trend-Tech Staffing, ...

Contact RFMW, 188 Martinvale Lane, San Jose, CA 95119 1-877-367-7369 1-408-414-1450 1-408-414-1461 (Fax) [Join Our Team!](#) [CLICK HERE](#) to view all job openings at RFMW.. About RFMW RFMW is the

San Jose capacitor series manufacturer phone number

premier pure play technical distributor of RF & Microwave semiconductors, connectors, and components for our customers and suppliers by providing component, value ...
